

COMMUNITY CELEBRATION EVENT

Once individuals or groups have memorized assigned portions of scripture, they come together to test and reinforce their knowledge through one-time or recurring CBC-hosted events. These celebrations include opportunities for one-on-one scripture recitals and/or friendly Bible jump quiz competitions, and successful memorization may be rewarded with ribbons, trophies, and drawings for prizes.

Celebration events may take place with other fellowships or stay within their own community. Here are some suggestions of what a celebration event might look like and how to get it organized:

- 1) Select a date, time and place to hold event. We suggest a Saturday or Sunday to get best participation.
- 2) Recruit or assign an event coordinator to organize and promote.

SATURDAY EVENT SCHEDULE OPTION

Time	Activity	Description
